Dear Sir or Madam:

On behalf of Comerica Bank, recipient of a complaint filed under the Federal Election Campaign Act of 1971 (the "Act"), regarding certain matters related to the U.S. senatorial campaign of Wilford R. Cardon, I submit the attached Response and Declaration showing that Comerica Bank has in fact made the subject extension of credit in full conformance with the Act and applicable regulations issued by the Federal Election Commission ("Commission"), specifically including 12 CFR § 110.82. In this regard and after you have performed the required preliminary legal and factual analysis of this matter, we ask that you promptly notify my office of the Commission's findings. In Re:

WILFORD R. CARDON and
COMERICA BANK
Respondents

MUR No. 6523

OFFICE OF GENERAL
COUNSEL

RESPONSE AND DECLARATION OF
COMERICA BANK

12344322379

DJ CULKAR, based on information and belief gained through the books and records of Comerica Bank, which are maintained in the normal course of business and according to the policies and procedures of Comerica Bank, responds to those parts of the Complaint Before the Federal Election Commission, designed with MUR No. 8523 (the "Complaint"), applicable to Comerica Bank, co-respondent to the Complaint. Comerica Bank is not responding to or making any declarations regarding the other allegations in the Complaint made against Wilford R. Cardon, nor is Comerica Bank making any response or declaration on Mr. Cardon's behalf. In this regard, I declare the following under penalty of perjury:

1. I am a Senior Vice President and Assistant General Counsel for Comerica Bank, a Texas banking association, which maintains its principal place of business at 1717 Main Street, Dallas, Texas 75201.

2. On behalf of Comerica Bank, I acknowledge that Comerica Bank has received the Complaint via its registered agent Corporate Creations on January 31, 2012.

3. In the performance of my duties at Comerica Bank, I have access to certain books and records maintained by Comerica Bank in the normal course of business that are maintained pursuant to its policies and procedures.

4. After noting that the Complaint "raises questions as to whether [a certain loan made by Comerica Bank] was an improper loan under FEC Regulations" and specifically alleges that the loan was not "made in accordance with applicable banking laws and regulations...", and not otherwise made in the ordinary course of business because the value of the underlying loan collateral was misstated by the Complainant as being too low in relation to loan amount (see page 3 of Complaint), I made an inquiry of Comerica Bank's books and records related to that loan and those books and records indicate the following:

a. On March 29, 2011, a request for credit was approved by Comerica Bank for the borrowers Boa Sorte Limited Partnership and Rio Claro, Inc. (the "Borrowers") for a revolving line of credit not to exceed

b. Contrary to the Complaint, which only notes one of the properties pledged as collateral, the loan was secured by no less than four separate real estate parcels along with the personal unlimited and unconditional guarantees of Wilford R. Cardon and Patrick Cardon, as a replacement line of credit that was part of an overall consolidation of other banking and investment relationships previously maintained at Johnson Bank, Meridian Bank, and Merrill Lynch. The collateral properties are located at and have appraised as follows:

for a total value of borrower-provide real estate collateral in the amount of \$3,685,000, all of which nominate Comerica Bank as a first lienholder. This equates to an approximate loan-to-value ratio of 70% ($2,550,000/3,685,000=69.19\%$).

c. The replacement line of credit was triggered because of Mr. Wilford Cardon now being on the board at Meridian Bank and that Bank being subject to a specific cease and desist order issued by Meridian Bank's federal regulator, thereby making it impossible to renew the line or lines of certain credit at Meridian Bank, and causing the Borrowers to seek replacement financing from Comerica Bank.

d. In accordance with applicable state real property law and in compliance with 11 CFR § 100.82(e)(1)(i), Comerica Bank has perfected its security interests in the collateral

for a fair market amount that is equal to or greater than the loan amount.

5. I acknowledge that the documents attached to the Response and Declaration, as Attachments A through H, are true and accurate copies of those found in the books and records maintained by Comerica, and for the deeds of trusts, the recording numbers, dates and times are an original reflection of the place, date and time of recording Comerica Bank's security interest in each of the collateral properties.

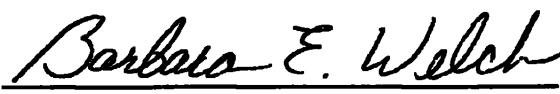

WHEREFORE, on behalf of Comerica Bank, I request that the Commission close this matter as it concerns Comerica Bank.

Failure to maintain the insurance required under this Deed of Trust or to deliver such policies or acceptable written evidence of the policies to Beneficiary will give Beneficiary the option to purchase insurance on behalf of Trustee. is made hereunder, and on any default of Trustor or Obligor, Beneficiary may, at its option, offset against any indebtedness owing by it to Trustor or Obligor.

- c. Without extending the liability of any person, including Trustee or Obligor, for the payment of any indebtedness as may remain, unless two of the three of them as the remainder of the Property for the full amount of any indebtedness unpaid, the beneficiary and trustee can respectively agree and as follows:

(1) Beneficiary may from time to time and without notice (a) release any person liable for the payment of any of the indebtedness, (b) extend the time or otherwise alter the terms of payment of any of the indebtedness, (c) accept additional security therefor of any kind, including deeds of trust or mortgages, (d) alter, substitute or release any of the Property securing the indebtedness.

d. That upon written request of Beneficiary stating that all sums agreed hereby have been paid, cancellation of any note, guarantee, Agreement or other writing evidencing the indebtedness secured hereby and performance of all obligations of the Trustee and Obligor hereunder and thereunder, and upon surrender of this deed of trust and said note, guarantee, Agreement or other evidence of indebtedness secured hereby to Trustee for cancellation and retention, and upon payment of the same, Trustee shall reconvey, without warranty, the Property then held hereunder. The record in each municipality of any notices of facts shall be conclusive proof of the truthfulness thereof. The grants in such cases referred to may be described as "the person or persons legally entitled thereto." Five years after issuance of such reconveyance, Trustee may destroy said note, guarantees, Agreement or other evidence of indebtedness and this deed of trust (unless directed in such request to retain them).

e. Trustee hereby gives to and grants upon Beneficiary the right, power and authority during the continuance of this trust to collect the rents, issues and profits of the Property and of any personal property located thereon, and hereby absolutely and unconditionally assigns all such rents, issues and profits to Beneficiary; provided, however, that Beneficiary hereby consents to the collection and retention of such rents, issues and profits as they accrue and become payable only if Trustee or Obligor fail to pay at such times, in default with respect to payment of any indebtedness secured hereby or in the continuance of any agreement suspending. Under any such default, Beneficiary may at any time, without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby encumbered, enter upon and take possession of the Property or any part thereof, and in its own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection including reasonable attorneys fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine; also perform such acts of repair, cultivation, irrigation or protection, as may be necessary or proper to cause to the value of the Property, also lease the same or any part thereof to such rental, term, and upon such conditions as its judgment may direct; also prepare for harvest, remove and sell any crops that may be growing upon the premises, and apply the net proceeds thereof upon the indebtedness secured hereby. The holding, using and taking possession of the Property, the collection of such rents, issues and profits, and the application thereof as aforesaid, shall not waive or cure any default or defect or make hereunder or invalidate any act done pursuant to such notice. Trustee also assigns to Trustee, as further security for the performance of the obligations secured hereby, all unpaid rents and all monies which may have been or may hereafter be deposited with said Trustee by any lessee of the premises herein described, to secure the payment of any rent, and upon default in the performance of any of the provisions hereof, Trustee agrees to deliver such rents and deposits to the Trustee. Upon appointment of a receiver, Trustee shall immediately deliver possession of all the Premises to such receiver. Neither the appointment of a receiver for the Premises by any court at the request of Beneficiary or by agreement with Trustee, nor the entering into possession of all or any part of the Premises by such receiver shall cause Beneficiary to be, or to be deemed or considered, a "mortgagee in possession" or otherwise make Beneficiary responsible for or liable in any manner with respect to the Premises or the occupancy, operation or use thereof. Beneficiary shall have the absolute and unconditional right to the appointment of a receiver in any independent court or separate action brought by Beneficiary regardless of whether Beneficiary seeks any relief in such action other than the appointment of a receiver. It is understood, Trustee waives any expense or implied requirement under minimum law or statutory fiduciary liabilities ("A.R.B.") § 12-2001 Stat. & neither may be appealed any liability to other judicial or administrative offices.

f. Upon demand by Trustee or Obligor in the performance of any payment or other obligation named hereby or in the continuance of any agreement suspended or if the Trustee shall fail, convey or alienate said property on any part thereof, or any interest therein, or shall be divested of its title, or any interest therein, in any manner or way, whether voluntary or involuntary, any indebtedness or obligation secured hereby, irrespective of the maturity date expressed in any note evidencing the same, at the option of the holder hereof, and without demand or notice, shall immediately become due and payable. If there is protest from Beneficiary on agreement or waiver resulting in the non-exercise by Beneficiary of such option in any certain instance or on any particular occasion, then in and except any privilege as exists now in effect to pay said indebtedness or any part thereof prior to the date the same would be discharged it can paid in the manner and thereby waived and terminated.

g. No failure or delay by Beneficiary in exercising any right, power or privilege under law, the deed of trust or any other document relating to the indebtedness shall operate as a waiver thereof; nor shall any single or partial exercise of any such right, power or privilege preclude any other or

further exercise of such right, power or privilege or any other right, power or privilege. All rights and remedies of Beneficiary under the deed of trust, the collateral security documents relating to the indebtedness or any guarantee of the Indebtedness, and any notes or other evidence of the indebtedness issued pursuant to any of the foregoing shall be unextinguished and may be exercised singly or simultaneously, and are not exclusive of any other right or remedy provided by law or in equity. Beneficiary may exercise any notice before foreclosing by exercising a notice of rescission and revoking the same. The nonexercise of such notice shall also constitute a cancellation of any prior declaration of default and demand for sale, and of any acceleration of maturity or Indebtedness affected by any prior declaration or notice of sale. The exercise by Beneficiary of the right of rescission shall not constitute a waiver of any default then existing or subsequently occurring, nor impair the right of the Beneficiary to execute other declarations of default and demand for sale, or notices of sale and of election to cause the Property to be sold, nor obstruct until the sale or deed of trust, or any of the rights, obligations or remedies of the Beneficiary or Trustee a trustee.

- i. Upon the non-payment of a Trustee default, and at any time when such default is continuing, Beneficiary may, or may cause Trustee to, give such notice of default and of election to cause the Property to be sold as may be required by law or as may be necessary to cause Trustee to exercise the power of sale granted herein. Trustee shall then record and give such notice of trustee's sale as then required by law and, after the expiration of such time as may be required by law, may sell the Property at the time and place specified in the notice of sale, as a whole or in separate parcels as directed by Beneficiary, or by Trustor to the extent required by law, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale, all in accordance with applicable laws. Whether, from time to time, may judgment or execution the sale all or any portion of the Property by public distribution at the time and place last appointed for the sale. Not after notice of the judgment sale shall be required; upon such sale, Trustee shall deliver its deed conveying the property sold, without any covenant or warranty, express or implied, to the purchaser or purchasers at the sale. The results in such deed of any matters or facts shall be conclusive as to the accuracy thereof. Any person, including Trustor, Trustee or Beneficiary, may purchase at the sale. After deducting all costs, fees and expenses of Trustee and of this trust, including costs of evidence of title in connection with the sale, the Trustee shall apply the proceeds of the sale to the payment of all sums then accrued hereby, in such order and manner as may be required by the Beneficiary; the remainder, if any, to be paid to the person or persons legally entitled thereto. If Beneficiary shall elect to bring suit to foreclose this deed created in the manner and respects to the present, right and remedies existing in the foreclosures of a mortgage, beneficiary shall be entitled to a reasonable sum to be fixed by the court as attorney's fees incurred before commencement of said action.

j. In any notice by Beneficiary to remove a deficiency judgment for any balance due under Trustor's obligation to Beneficiary, upon the issuance of this deed of trust or in any action to recover the obligation or obligations secured hereby, and as a material inducement to Beneficiary's entering into the transaction related to this deed of trust, Trustor acknowledges and agrees that the successful bid amount made at any judicial or non-judicial foreclosure sale, if any, shall be conclusively deemed to constitute the fair market value of the Property, until such bid amount shall be disaffirmed. Trustee in any proceeding resulting from a contest of the fair market value of the Property and the bid amount shall be the judgment determining means in determining and establishing the fair market value of the Property. Trustor hereby waives and relinquishes any right to have the fair market value of the Property determined by a judge or jury in any action seeking a deficiency judgment or any action on the obligation or obligations secured hereby, including, without limitation, a hearing to determine fair market value pursuant to A.R.S. § 12-1501, § 33-728, § 33-727 or § 33-874.

k. Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or act as hereunder, with instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution; of such successor Trustee or Trustees, who shall, without exemption from the Trustee predecessor, succeed to all its title, estate, rights, interests and duties. Such successor may maintain the name of the original Trustee, Trustor and Beneficiary hereunder, the location where this deed of trust is recorded and the name and address of the new Trustee.

l. This deed of trust applies to, trusts in the benefit of, binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term "Beneficiary" shall mean the owner(s) holder, including pledgee, of the note, guarantee, Agreement, or other evidence of indebtedness received herby, whether or not named as themselves herein in this deed of trust, whenever the context so requires, the nondebtor grantee holding the furnishing and/or the name, and the similar number before the plus.

m. Trustee consents that this deed of trust, duly executed and acknowledged, is made public record as provided by law. Trustee is not obligated to notify any party hereto of recording and/or under any other deed of trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

n. Any Trustor or Obligor who is a married person, expressly agrees that his or her community property and separate property shall be liable for any deficiency after the sale of the said property to the extent such Trustor or Obligor is personally obligated to pay the indebtedness secured hereby.

o. If Trustor or any successor in interest to Trustor sells, transfers or encumbers any interest in the Property, whether separately or jointly, or if a beneficial interest in Trustee is sold or transferred, whether or jointly and Trustor is not in actual present, the Beneficiary and the transferee will make immediately plus written notice of said transfer to the Beneficiary, at its address designated on the first page of this deed of trust.

- d. The pleading of any statute of limitations as a defense to any and all obligations secured by this deed of trust is hereby waived to the full extent permitted by law.
- e. Trustor authorizes Beneficiary without notice or demand and without affecting his liability under this deed of trust, from time to time, to:

 - g. To pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary plus to liquidate the maximum claimed by law at the time when and whereabout it is demanded.

Any award or damage so connection with any condemnation for public use of or injury to the Property or any part thereof is hereby assigned and shall be paid to the Beneficiary who may apply or release such monies received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.
 - b. By accepting payment of any sum secured hereby after its due date, or after the filing of notice of sale and of election to sell, Beneficiary shall not waive his right to require prompt payment when due of all other sums so secured, or to declare default for failure so to pay, or to proceed with the sale under any such notice of sale and of election to sell, for any unpaid balance of said indebtedness. If Beneficiary holds any collateral security for any obligation soaged hereby, it may enforce the sale thereof at its will, either before, contemporaneously with, or after the sale is made hereunder, and on any default of Tenant or Chtigor, Beneficiary may, at its option, offset against any Indebtessenes owing by it to Tenant or Chtigor.

- c. Without affecting the liability of any person, including Trustor or Obligor, for the payment of any indebtedness secured hereby, or the non payment of any amount of trust on the remainder of the Property for the full amount of any indebtedness unpaid, Beneficiary and Trustee are respectively empowered as follows:
 - (1) Beneficiary may from time to time and without notice (a) release any person liable for the payment of any of the indebtedness, (b) extend the time or otherwise alter the terms of payment of any of the indebtedness, (c) accept additional security therefor of any kind, including deeds of trust or mortgages, (d) alter, substitute or release any of the Property securing the indebtedness.

The recital in such reconveyance of any matter of fact shall be conclusive proof of the indebtedness thereon. The grantees in such reconveyance may be described as "the person or persons legally entitled thereto." Five years after issuance of such reconveyance, Trustee may destroy said note, guarantee, Agreement or other evidence of indebtedness contained in said deed (unless retained in such original to retain them).
- e. Trustor hereby gives to and confers upon Beneficiary the right, power and authority during the continuance of this trust to collect the rents, issues and profits of the Property and of any personal property located thereon, and hereby absolutely and unconditionally assigns all such rents, issues and profits to Beneficiary, provided, however, that Beneficiary hereby consents to the collection and retention of such rents, issues and profits as they accrue and become payable only if Trustor or Obligor is not, at such time, in default with respect to payment of any indebtedness secured hereby or in the performance of any agreement hereunder. Under any such default, Beneficiary may at any time, without notice, either in person, by agent, or by a receiver to be appointed by a court, sue without regard to the occupancy or any liability for the indebtedness hereby secured, enter upon and take possession of the Property or any part thereof, and in its own name sue for or otherwise collect such rents, issues and profits including those past due and unpaid, and apply the same, less costs and expenses of operation and collection including reasonable attorneys fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine; also perform such work of repair, cultivation, irrigation or protection as may be necessary or proper to conserve the value of the Property; also lease the same or any part thereof to such rental, term, and upon such conditions as its judgment may dictate; also prepare for harvest, remove, and sell any crops that may be growing upon the premises, and apply the net proceeds thereof upon the indebtedness secured hereby. The amounts spent and taking possession of the Property, the collection of such rents, issues and profits, and the application thereof as aforesaid shall not waive or cure any default or make it a new or sole hereunder or invalidate any act done pursuant to such article. Tenant also consigns to Trustee, as further security for the performance of the obligations secured hereby, all prepaid rents and all monies which may have been or may hereafter be deposited with said Trustor by any lessee of the premises herein described, to secure the payment of any rent, and upon default in the performance of any of the provisions hereof, Trustor agrees to deliver such rents and deposits to the Trustee. Upon appointment of a receiver, Trustee shall immediately deliver possession of all the Premises to such receiver. Neither the appointment of a receiver for the Premises by any court at the expense of Beneficiary or by agreement with Trustee nor his retaining him possession of all or any part of the Premises by such receiver shall release Beneficiary to him, or to be released or considered, as "trustee in possession" so otherwise make Beneficiary responsible for or liable in any respect with respect to the Premises or the occupancy, operation or use thereof. Beneficiary shall have the absolute and unconditional right to the appointment of a receiver in any independent and/or separate action brought by Beneficiary irrespective of whether Beneficiary seeks any relief in such action other than the appointment of a receiver. In that respect, Trustor waives any express or implied requirement under common law or Arizona Revised Statutes ("A.R.S.") § 12-1241 that a receiver may be appointed only directly to enter judicial or other judicial relief.
- f. Upon default by Trustor or Obligor in the performance of any payment or other obligation secured hereby or in the performance of any agreement hereinabove set forth the Trustor shall and may or alienate and assign or any part thereof, carry interest therein, or shall be divested of his title, or any interest therein, in any manner or way, whether voluntary or involuntary, any indebtedness or obligation secured hereby, irrespective of the maturity date expressed in any note evidencing the same, at the option of the holder hereof, and without demand or notice, shall immediately become due and payable. If there is procured from Beneficiary agreement or waiver resulting in the non-exercise by Beneficiary of such option in any certain instance or on any particular occasion, then in that event any privilege or option now in effect to pay and discharge or any part thereof prior to the date the same would be discharged if not paid, is therewith and thereby waived and renounced.
- g. No failure on behalf of Beneficiary in exercising any right, power or privilege under law, the denial of trustor any other statement, making by him indebtedness and/or agree to exercise it would not shell any single or partial exercise of any such right, power or privilege preclude any other or further exercise of such right, power or privilege or any other right, power or privilege. All rights and remedies of Beneficiary under the deed of trust, the additional security agreements securing

the indebtedness or any guaranty of the Indebtedness, and any notes or other evidence of the Indebtedness hereof pursuant to any of the foregoing shall be enforceable and may be exercised singly or severally, and are not exclusive of any other right or remedy permitted by law or in equity. Beneficiary may rescind any notice given by Trustee's name by executing a written dis-
rescission and canceling the same. The recording of such notice shall not constitute a cancellation of any prior declaration of default and demand for sale, and of any acceleration of maturity of Indebtedness effected by any prior declaration or notice of sale. The exercise by Beneficiary of the right of rescission shall not constitute a waiver of any default then existing or subsequently occurring, nor impair the right of the Beneficiary to execute other declarations of default and demand for sale, or notice of sale and of election to cause the Property to be sold, nor otherwise affect the rights or duties of trust, or any of the rights, obligations or remedies of the Beneficiary or Trustee hereunder.

- l. Upon the occurrence of a Trustee default, and at any time when such default is continuing, Beneficiary may, or may cause Trustee to, give such notice of default and of election to cause the Property to be sold as may be required by law to as may be necessary to cause Trustee to exercise the power of sale granted herein. Trustee shall then record and give such notice of trustee's sale as then required by law and, after the expiration of such time as may be required by law, may sell the Property at the time and place specified in the notice of sale, as a whole or in separate parcels as directed by Beneficiary, or by Trustor to the extent required by law, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale, all in accordance with applicable law. Trustee, from time to time, may postpone or continue the sale of all or any portion of the Property by public distribution at the time and place last appointed for the sale. No user and/or of the unexecuted sale shall be required. Upon any sale, Trustee shall charge for costs and expenses of removing and/or repairing any encumbrance, express or implied, to the purchaser or purchasers at the sale. The notice is each deed of any manner or form shall be conclusive as to the accuracy thereof. Any person, including Trustor, Trustee or Beneficiary, may purchase at the sale. After deducting all costs, taxes and expenses of Trustee and of this trust, including costs of evidence of title in connection with the sale, the Trustee shall apply the proceeds of the sale to the payment of all sums then secured hereby, in such order and manner as may be required by the Beneficiary, the remainder, if any, to be paid to the person or persons legally entitled thereto. If Beneficiary shall cease to give full or foreclose this debt of trust in the manner and subject to the provisions, rights and remedies relating to the foreclosure of a mortgage hereinafter set forth in a remittitance sent to be filed by the court an attorney from appointed in the proceedings held, notice.

l. In any action by Beneficiary to recover a deficiency judgment for any balance remaining after Trustee's obligation to foreclose upon the foreclosure of this deed of trust in any action to recover his obligation or obligations secured hereby, and as a material ingredient to Beneficiary's entering into the transaction relating to this deed of trust, Trustee acknowledges and agrees that the successful bid amount made at, any judicial or non-judicial foreclosure sale, if any, shall be conclusively deemed to constitute the fair market value of the Property, that such bid amount shall be binding against Trustee in proceeding owing to determine the written fair market value of the Property and that said bid amount shall be the preferred alternative means of determining and ascertaining the fair market value of the Property. Trustee having notice and relinquishing any right to have the fair market value of the Property determined by a judge or jury in any action arising or deficiency judgment may make as the judgment of obligations secured hereby, including, without limitation, claiming to determine fair market value pursuant to A.R.S. § 12-1559, § 33-725, § 33-727 or § 33-814.

j. Beneficiary, or any successor in ownership of any indebtedness secured hereby, may, from time to time, by instrument in writing, substitute a successor to successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without severance from the Trustee predecessor, succeed to all its title, estate, rights, success and claims. Said instrument must contain the name of the named Trustee, Trustee and Beneficiary however, the location where this item of text is numbered and the name and address of the new Trustee.

k. This deed of trust applies to, binds the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pre-emptive, of the note guarantee, Agreement, or other evidence of indebtedness secured hereby, whether or not named as Beneficiary herein. In this deed of trust, whenever the context so requires, the pronoun gender includes the feminine and/or the singular, and vice versa, according to the plain.

l. Trustee accepts this Trust when this deed of trust, duly executed and acknowledged, is made public record as provided by law. Trustee is not obligated to satisfy any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

m. Any Trustor or Obligor who is a married person expressly agrees that his or her community property and separate property shall be liable for any deficiency after the sale of the said property to the extent such Trustor or Obligor is personally obligated to pay the indebtedness secured hereby.

n.  - (1) Renew, extend, accelerate, decrease or increase the amount of the indebtedness, or otherwise change the terms for payment of any of the indebtedness during the term thereof;
 - (2) Renew, extend, terminate or otherwise modify all the collateral security documents securing any of the indebtedness, and any notes under any other evidence of indebtedness in connection with any of the foregoing, including without limitation, increases or decreases of the rate of interest thereon;

Beneficiary's rights under the deed of trust shall be enforceable without regard to the validity, regularity or enforceability of the indebtedness or any document evidencing the same, any notes or other evidence of the indebtedness, any other guarantee of the indebtedness or any collateral security documents securing any of the indebtedness. Trustor specifically agrees that the failure of Beneficiary to perfect any lien or security interest in any property given by Obligor, Trustor or any guarantor to secure payment of the indebtedness, or the failure to record or file any document relating thereto, shall not terminate, distract or otherwise affect the beneficiary's rights under this instrument.

t. Trustor shall also cause to give notice to Beneficiary of any encumbrance or lien on that Trustee may receive from any municipality or other third party of any kind or property to include all or any part of the Property in a Community Facilities District. Beneficiary shall have the right to file a written objection to the formation of all or any part of the Property in a Community Facilities District, either in its own name or in the name of Trustor, and appear at, and participate in any hearing held in respect to the formation of such district.

 - As used in this section, the term "hazardous substance" means any substance which has characteristics of ignitability, corrosivity, toxicity, reactivity or radioactivity or has other characteristics which render the substance dangerous to health, safety or the environment if such substance is or becomes regulated by any federal, state or local law, regulation or ordinance. The term includes, without limitation, substances referred to as "hazardous material," "Toxic substance," "Hazardous wastes," "Hazardous substances" in the Comprehensive Environmental Response, Compensation and Litigation Act of 1980, as amended, 42 U.S.C.  - The provisions of this section shall not be affected by the acquisition by Beneficiary or its successors or assigns of any ownership or other interest in the Property beyond Beneficiary's security interest in the Property created under this deed of trust, whether or not such acquisition is pursuant to the foreclosure of this deed of trust or a merger of the interest of the Beneficiary or its successors and assigns in the Property.

5. ADDITIONAL PROVISIONS:

 - The execution of this deed of trust by any person who has no present interest in the Property shall not be deemed to indicate that such an interest subsequently exists.  - The execution of this deed of trust by any person who has a present interest in the Property shall not in itself be deemed to indicate that such person is liable to Beneficiary for any obligation described in Section 1, above. Any potential liability of such person to Beneficiary shall be determined on an independent basis (and not as a consequence of the execution or non-execution evidencing the obligation described in Section 1, above). Trustor agrees that, if all or a portion, of the obligations secured hereby (or any guarantor thereof) are at any time excused by any other deed of trust or other interest in real property, Beneficiary, in its sole discretion and without notice or demand and without affecting the security of this Deed of Trust, may exercise all its rights and remedies against Borrower or any guarantor, Beneficiary or any guarantor's real and personal property, and any other security for the obligations secured hereby or for any guarantee Trustor in whatever form or manner Beneficiary may determine, including without limitation, nonrecourse, nonassumption, and/or property insurance, without limiting the generality of the foregoing or any other provision herein, Trustor hereby expressly waives any and all demands that any/other/wherever be available to Trustor under Arizona Rules of Civil Procedure 129 (and Arizona Revised Statute Section 12-1041 et seq. and 12-1055 (as such sections may be amended or reenacted from time to time), and Arizona Revised Statute Sections 33-725, 33-726, 33-730 and 33-814 (as such sections may be amended or reenacted from time to time). Trustor hereby acknowledges and understands that Beneficiary may obtain a judgment against Trustor for the entire obligation or any deficiency balance thereof upon foreclosure of the trust or personal property without regard to the fair market value of the property, the method of foreclosure or the fact that the Obligation arises from a purchase money transaction.

Trustor waives and releases any and all rights of subrogation, reimbursement, indemnity or contribution which it may now or hereafter have against: (1) Borrower, any guarantor or any person who now or hereafter has direct or contingent liability (whether by contract, at law or in equity) for all or any portion of the obligations secured hereby; or (2) against any property which now or hereafter serves as collateral security for the obligations secured hereby. If and to the extent our waiver and release is unenforceable, Trustor hereby agrees that all such rights of subrogation, reimbursement, indemnity and contribution shall be valid and enforceable to the right of Beneficiary to obtain payment and performance of the obligations secured hereby and all rights of Beneficiary or to any property which now or hereafter acquires sufficient security for such obligations.

WAIVER OF AUTHENTICATION OF VALIDITY OF ACTS OF CORPORATION, PARTNERSHIP OR TRUST

It is not necessary for Beneficiary to inquire into the power of Trustor or the officers, directors, partners or agents acting or purporting to act on behalf of Trustor, and all obligations made, created or accepted in reliance upon the professed exercise of such power shall be secured hereby.

REVIVAL OF DEED OF TRUST

If any payments of money or transfers of property made to Beneficiary, by Borrower, stay guarantor, any maker or any endorser, should, for any reason, subsequently be declared to be, or in Beneficiary's counsel's good faith opinion be determined to be, fraudulent (within the meaning of any state or federal law relating to fraudulent conveyances), preferential or otherwise voidable or non-existent in whole or in part for any reason (hereinafter collectively called "Voidable Transfer") or any amount unpaid or otherwise due to Borrower or any guarantor (regardless until all costs and expenses (including attorney's fees) of Beneficiary related thereto, the less and partly of this Deed of Trust shall automatically be levied, maintained and restored and shall exist as though such voidable transfer had never been made to Beneficiary. UNDETERMINING WITH RESPECT TO WAYSIDE

Trustor warrants and agrees that each of the waivers set forth above are made with Trustor's full knowledge of their significance and consequences, with the understanding that events giving rise to any defense waived may diminish, encumber or otherwise adversely affect rights which Trustor otherwise may have against Borrower, Beneficiary or others, or against collateral, and that, under the circumstances, the waivers are reasonable and not contrary to public policy or law. If any of the waivers are determined to be contrary to any applicable law or public policy, such waiver shall be effective to the maximum extent permitted by law.

 - (1) Make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon the Property for such purpose;

If Beneficiary holds any additional security for any obligation secured hereby, it may enforce the sale thereof at its option, either before contemporaneously with, or after the sale

- is made hereunder, and on any default of Trustor or Obligor, Beneficiary may, at its option, offset against any indebtedness owing by it to Trustor or Obligor.
- c. Without affecting the validity of any power, including Trustor or Obligor, for the payment of any indebtedness secured hereby, or the time of this deed of trust on the transferor of the Property for the full amount of any indebtedness unpaid, Beneficiary and Trustee are respectively empowered as follows:
- (1) Beneficiary may from time to time and without notice (a) release any person liable for the payment of any of the indebtedness, (b) extend the time or otherwise alter the terms of payment of any of the indebtedness, (c) accept additional security therefor of any kind, including deeds of trust or mortgages, (d) alter, substitute or release any of the Property securing the indebtedness.
 - (2) Trustee may, at any time, and from time to time, upon the written request of Beneficiary (a) consent to the making of any new or part of the Property, (b) join in granting any easement or creating any restriction theron, (c) join in any subdivision or other agreement affecting this deed of trust or the item or charge thereof or, (d) release without any warranty, all or any part of the Property.

The receipt in such instrument of any sum of funds shall be conclusive proof of the truthfulness thereof. The grantee in such conveyance may be described as "the person or persons legally entitled thereto." Five years after issuance of such conveyance, Trustee may destroy said note, guarantee, Agreement or other evidence of indebtedness and this deed of trust (unless directed in such request to retain them).
- e. Trustor hereby gives to and confers upon Beneficiary the right, power and authority during the continuance of this trust to collect the rents, issues and profits of the Property and of any personal property located thereon, and hereby covenants and unconditionally agrees all such rents, issues and profits to Beneficiary, provided, however, that Beneficiary hereby consents to the collection and retention of such rents, issues and profits as disbursements and losses to pay only if Trustor or Obligor is late, at such times in default with respect to payment of any indebtedness secured hereby or in the performance of any agreement hereunder. Under any such default, Beneficiary may at any time, without notice, either in person, by agent, or by a trustee to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of the Property or any part thereof, and in its own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection including reasonable attorneys fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine; also perform such acts of repair, extension, improvement or publication, as may be necessary or proper to enhance the value of the Property; also losses, damages or any part thereof for taxes, rental, taxes, and upon such conditions as its judgment may dictate; also prepare for removal, remove, and sell any goods that may be growing upon the premises, and apply the net proceeds thereof upon the indebtedness secured hereby. The retaining upon and taking possession of the Property, the collection of such rents, issues and profits, and the application thereof as aforesaid, shall not waive or cure any default or notice of default or sale hereunder or invalidate any act done pursuant to such notice. Trustor also agrees to Trustee, as further security for the performance of the obligations secured hereby, all prepaid rents and all monies which may have been or may hereafter be deposited with said Trustee by any lessee of the premises herein described, to secure the payment of any rent, and upon default in the performance of any of the provisions hereof, Trustee agrees to deliver such rents and prepayments to the Trustee. Upon appointment of a receiver, Trustee shall immediately deliver possession of all the Premises in such receiver. Neither the appointment of a receiver for the Premises by any court at the request of Beneficiary or by agreement with Trustee, nor the entering into possession of all or any part of the Premises by such receiver shall cause Beneficiary to be, or to be deemed or considered, a "mortgagee in possession" or otherwise make Beneficiary responsible for or liable in any manner with respect to the Premises or the occupancy, operation or use thereof. Beneficiary shall have the absolute and unconditional right to the appointment of receiver in any independent action or action which may be brought by Beneficiary regardless of whether Beneficiary seeks any relief in such action other than the appointment of a receiver. In that respect, holder waives any defense or legal requirement under common law or Maine General Statutes ("A.R.S.B.") § 12-1361 that a receiver may be appointing only existing or other judicial or non-judicial relief.
- f. Upon default by Trustor or Obligor in the performance of any payment or other obligation secured hereby or in the performance of any agreement hereunder or if the Trustor shall fail, convey or alienate said property or any part thereof, or any interest therein, or shall be divested of his title, or any interest therein, in any manner or way, whether voluntary or involuntary, any indebtedness or obligation secured hereby, irrespective of the maturity date expressed in any note evidencing the same, at the option of the holder hereof, and without demand or notice, shall immediately become due and payable. If there is procured from Beneficiary an agreement or waiver resulting in the non-exercise by Beneficiary of such option in any certain instance or on any particular occasion, such is not except any privilege or cause now or then known to either party and Indebtedness or any part thereof fails to become the same would be delinquent if not paid, is thenupon and forever waived and terminated.
- g. No failure or delay by Beneficiary in exercising any right, power or privilege under law, the deed of trust or any other document relating to the indebtedness shall constitute a waiver thereof; nor shall any single or partial exercise of any such right, power or privilege preclude any other or

- further exercise of such right, power or privilege or any other right, power or privilege. All rights and remedies of Beneficiary under this deed of trust, the contained security documents and among the indenturees or runs against the indenturee, and may in law or under contract be exercised and may be exercised singly or collectively, and are not exclusive of any other right or remedy provided by law or in equity. Beneficiary may record any notice before Trustee's sale by executing a notice of rescission and recording the same. The recording of such notice shall also constitute a cancellation of any prior acceleration of default and demand for sale, and of any acceleration of maturity or indebtedness effected by any prior acceleration or notice of sale. The exercise by Beneficiary of the right of rescission shall not constitute a waiver of any default then existing or subsequently occurring, nor impair the right of the Beneficiary to exercise other remedies of default and demand for sale, or action of sale and of rescission to cause the Property to be sold, nor otherwise affect the title or deed of trust, or any of the rights, obligations or liabilities of the Beneficiary or Trustee hereunder.
- h.** Upon the occurrence of a Trustee default, and at any time while such default is continuing, Beneficiary may, or may cause Trustee to, give such notice of default and of election to cause the Property to be sold as may be required by law or as may be necessary to cause Trustee to exercise the power of sale granted herein. Trustee shall then receive and give such notice of trustee's sale as is then required by law and, after the expiration of such time as may be required by law, may sell the Property at the time and place specified in the notice of sale, as a whole or in separate parcels as directed by Beneficiary, or by Trustee to the extent required by law, at public auction in the highest bidder for sale in kind names of the United States, payable at time of sale, all in accordance with applicable law. Trustee, from time to time, may postpone or continue the sale of all or any portion of the Property by public division at the time and place last appointed for the sale. No other notice of the postponed sale shall be required. Upon any sale, Trustee shall deliver its deed conveying the property sold, without any covenant or warranty, express or implied, to the purchaser or purchasers at the sale. The recitals in such deed of any matters or facts shall be constitutive as to the accuracy thereof. Any person, including Trustor, Trustee or Beneficiary, may purchase at the sale. After deducting all costs, fees and expenses of Trustee and of this trust, including costs of evidence of title in connection with the sale, the Trustee shall apply the proceeds of the sale to the payment of an amount then secured hereby, in such order and manner as may be required by the Beneficiary; the remainder, if any, to be paid to the person or persons legally entitled thereto. If Beneficiary shall elect to bring suit in foreclosing this deed of trust in the manner and subject to the priorities, right and remedies existing in the foreclosing of a mortgage, Beneficiary shall be entitled to reasonable costs to be fixed by the court or attorney's fees expended in the prosecution of said action.
 - i.** In any action by Beneficiary to recover a deficiency judgment for any balance due under Trustee's obligation to Beneficiary upon the foreclosure of this deed of trust or in any action to recover the obligation or obligations secured hereby, and as a material instrument to Beneficiary's entering into the agreement referred to this deed of trust, Trustee acknowledges and agrees that the successive bid amounts made at any judicial or non-judicial foreclosure sale, if any, shall be conclusively deemed to constitute the fair market value of the Property, that such bid amount shall be binding against Trustee in any proceeding relating to determine or award the fair market value of the Property and that such bid amount shall be the preferred alternative means of determining and establishing the fair market value of the Property. Trustee hereby waives and relinquishes any right to have the fair market value of the Property determined by a judge or jury in any action seeking a deficiency judgment or any action on the obligation or obligations secured hereby, including, without limitation, a hearing to determine fair market value pursuant to A.R.S. § 12-1501, § 33-725, § 36-707 or § 33-614.
 - j.** Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, constitute a successor or successors to any Trustee named herein or any successor, valid instruments, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties whose principal place of business, shall be maintains paid of proper substitution of such successor Trustee or Trustee, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Such successor must contain the name of the original Trustee, Trustee and Beneficiary hereunder, the location where this deed of trust is recorded and the name and address of the new Trustee.
 - k.** This deed of trust applies to, insures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall reasonably cover and hold, including pledges, cities, state, governments, Agreement, or other evidences of indebtedness, receivable herefrom, whether or not created or resulting herein. In this deed of trust, whenever the context so requires, the masculine gender includes the feminine and/or the neuter, and the singular number includes the plural.
 - l.** Trustee accepts this Trust when this deed of trust, duly executed and acknowledged, is made public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.
 - m.** Any Trustor or Obligor who is a married person expressly agrees that his or her community property and separate property shall be held for my deficiency after the sale of the said property to the extent such Trustee or Obligor is personally obligated to pay the beneficiaries named hereby.
 - n.** If Trustee acquires an interest in Trustor's wife, husband or unmarried son or daughter any interest in the Property, whether separately or jointly, as if a beneficial interest in Trustor is sold or transferred, individually or jointly and Trustee is not a natural person, the transferee and the transferor shall each immediately give written notice of said transfer to the Beneficiary, at its address designated on the first page of this deed of trust.

- a.** The pleading of any statute of limitations as a defense to any and all obligations secured by this deed of trust is hereby waived to the full extent permitted by law.
- b.** Trustor waives Beneficiary, without limitation or demand and without affecting his liability under this deed of trust, there being no time, to:

- b. As used in this section, the terms "disposal," "hazardous" and "threatened release" shall have the definitions assigned to them in CERCLA.

SEASIDE

SURETYSHIP RIDER TO DEED OF TRUST EXHIBIT "A"

RIDER TO THAT CERTAIN DEED OF TRUST DATED AS OF May 25, 2011.

EXECUTED BY Rio Claro, Inc., an Arizona Corporation AS TRUSTORS AND NAMING Comerica Bank AS TRUSTEE AND Comerica Bank AS BENEFICIARY ("Beneficiary") ("Deed of Trust") ON THE PROPERTY DESCRIBED IN THE DEED OF TRUST ("Property"), WHICH DESCRIPTION IS INCORPORATED HEREIN BY THIS REFERENCE. THIS RIDER IS INCORPORATED HERIN AND SHALL BE DEEMED TO BE A PART AND SUPPLEMENT TO THE RIDER TO THE DEED OF TRUST.

WAIVERS

Trustor acknowledges that this Deed of Trust secures Indebtedness of Box Sorte Limited Partnership, an Arizona Limited Partnership and Rio Claro, Inc., an Arizona Corporation ("Borrower"), an entity other than Trustor. Trustor warrants that: (1) this Deed of Trust is executed at Borrower's request; (2) this Deed of Trust complies with any agreements between Trustor and Borrower regarding Trustor's execution hereof; (3) Trustor has not and will not, without prior written consent of Beneficiary, sell, lease, assign, encumber, hypothecate, transfer or otherwise dispose of the Property or any interest therein; (4) Beneficiary has made no representation to Trustor as to the creditworthiness of Borrower; and (5) Trustor has taken no steps which cause or may cause Beneficiary to disqualify Borrower from the independent sources listed there, assets or circumstances which might in any way affect Trustor's risk statement, and Trustor further agrees that Beneficiary shall have no obligation to disclose to Trustor information or research compiled in the course of Beneficiary's relationship with Borrower.

WAIVERS

Trustor waives any right to require Beneficiary to: (1) proceed against any person, including Borrower or any guarantor; (2) proceed against, or exhaust any collateral held from, Borrower or any other person; (3) pursue any other remedy in Beneficiary's power; or (4) make any presentation, demand for performance, or give any notice of nonperformance, protest, notice of protest or notice of dishonor in connection with any obligation or evidence of indebtedness held by Beneficiary as security. In connection with any obligation or evidence of indebtedness which becomes or would become due under this Deed of Trust or in connection with the creation of new or additional obligations.

Trustor waives any defense arising by reason of: (1) the incapacity, lack of authority, death or disability or other defense of Borrower or any other person including, but not limited to, the insolvency or bankruptcy of Borrower, or any other person, or any stay in connection with any such bankruptcy proceedings, or the failure of Beneficiary to file or enforce a claim against the estate (in administration, bankruptcy, or any other proceeding) of Borrower or any other person; (2) the cessation from any cause whatsoever, other than payment in full, of the obligations of Borrower or any other person; (3) the application by Borrower of the proceeds of any obligation secured hereby for purposes more than the purposes represented by Borrower to Beneficiary or intended or understood by Beneficiary or Trustor; (4) any act or omission by Beneficiary which directly or indirectly results in or aids the discharge or release of Borrower, any other person, any obligee named herein, or any other obligee including, without limitation, the conversion, extension, continuation or other change in time for payment of such obligations, increase or decrease of the rate of interest thereon, or other change in the terms of such obligations or any part thereof.

Trustor waives all rights which Trustor may have, under any requirement of law or equity, that Beneficiary exhaust any other security for the obligations secured hereby before proceeding under this Deed of Trust.

Trustor hereby waives any claim or defense based upon an election of remedies by Beneficiary or other refined defenses, (which, in its manner, impacts, affects, reduces, releases, destroys and/or extinguishes Trustor's subrogation rights, rights to proceed against Borrower for reimbursement, and/or other rights of Trustor to proceed against Borrower, against any other guarantor, or against any other person or entity including, but not limited to, any defense based upon an election of remedies by Beneficiary under all the provisions of the Arizona Revised Statutes. As an illustration, without limiting the foregoing, Trustor waives and relinquishes all rights, remedies, and defenses that Trustor may have: (1) under any law which may limit the amount of a deficiency judgment based on any obligation secured hereby; (2) under any law to deficiency judgments; (3) any requirement of law that Beneficiary exhaust this or any other security for the obligations secured hereby before proceeding against Trustor; (4) under any law which may prohibit Beneficiary from exercising its rights and remedies against Trustor by suit, a private trustee's sale and/or action in court; (5) under any law which requires that a court subject to choose Beneficiary's rights be an action to foreclose this Deed of Trust; and (6) by reason of an election of remedies by Beneficiary, if Beneficiary, not entitled to the exercise of nonpossessory judicial remedies against Borrower or any guarantor, then uses nonjudicial remedies and enacts personal property, or any other security for the obligations secured hereby or for any greater than one-half of the amount of any deficiency, whichever, in our opinion, is less, effect, notice, notice, decree, order, judgment, Trustor's subrogation rights, rights to proceed against Borrower for reimbursement and/or other rights of Trustor to proceed against Borrower, any guarantor, or against any other person or entity including, without limitation, any law, or right, that Trustor may assert in connection with any non-judicial law or any other law, holding, qualifying or discharging Indebtedness or remedies against Borrower or any other person. Trustor agrees that if all or a portion, of the obligations secured hereby (or any security thereof) are at any time secured by any other deed of trust or other interest in real property, Beneficiary, in its sole discretion and without notice or demand and without affecting the security of this Deed of Trust, may exercise all its rights and remedies against Borrower or any guarantor, Borrower's or any guarantor's real and personal property, and any other security for the obligations secured hereby for the same greatest benefit to Borrower under or among Beneficiary and others, including without limitation, nonjudicial foreclosure and/or power of sale. Without limiting the generally cited foregoing among other, provision herein, Trustor hereby expressly covenants and agrees that right, title and interest in Trustor under Arizona Rules of Civil Procedure 17(7) and Arizona Revised Statute Section 12-1441 et seq., and 12-1509 (as such sections may be amended or reenacted from time to time), and Arizona Revised Statute Sections 33-725, 33-728, 33-730 and 33-816 (as such sections may be amended or reenacted from time to time). Trustor hereby acknowledges and understands that Beneficiary may obtain a judgment against Trustor for the entire obligation or any deficiency balance thereto upon foreclosure of the real or personal property referred to in the market value of the property, the method of foreclosure or the fact that the Obligation arises from a purchase money transaction.

Trustor waives and releases against all rights of subrogation, reimbursement, insurance or contribution which it may now or hereafter have against (1) Borrower; any co-borrower or any person who has or has had an interest or ownership interest (Trustor's top contract, at law or in equity) for all or any portion of the obligations secured hereby; or (2) against any property which now or hereafter serves as collateral security for the obligations secured hereby. If used to the extent such waiver and release is unenforceable, Trustor hereby agrees that as such rights of subrogation, reimbursement, insurance and contribution shall be junior and subordinate to the right of Beneficiary to obtain payment and performance of the obligations secured hereby and to all rights of Beneficiary in and to any property which now or hereafter serves as collateral security for such obligations.

WAIVER OF AUTHENTICATION OF VALIDITY OF ACTS OF CORPORATION, PARTNERSHIP OR TRUST

It is not necessary for Beneficiary to inquire into the power of Trustor or the officers, directors, partners or agents acting or purporting to act on behalf of Trustor, and all obligations made, created or accepted in reliance upon the presumed exercise of such power shall be secured hereby.

REVIVAL OF DEED OF TRUST

If any payments of money or transfers of property made to Beneficiary, by Borrower, any guarantor, any maker or any endorser, should, for any reason, subsequently be declared to be, or in Beneficiary's counsel's good faith opinion be determined to be, fraudulent (within the meaning of any state or federal law relating to fraudulent conveyances), environmental or otherwise voidable or nonvoidable in whole or in part for any reason, (hereinafter collectively called "Voidable Transfer") on any amount unpaid or restored to Borrower or any guarantor together with all costs and expenses (including attorney's fees) of Beneficiary related thereto, the lien and priority of this Deed of Trust shall automatically be revived, reinstated and restored and shall exist as though such voidable transfer had never been made to Beneficiary. In the event Beneficiary shall have caused its interest herein to be reconveyed and subsequently be required or advised by counsel to restore or repay any such voidable transfer, the amount thereof, or any portion thereof, the undersigned shall remain liable, as provided herein, to the same extent as if this Deed of Trust had not been reconveyed to the undersigned.

UNCONDITIONALNESS WITH RESPECT TO WAIVERS

Trustor warrants and agrees that each of the waivers set forth above are made with Trustor's full knowledge of their significance and consequences, with the understanding that events giving rise to any defense waived may diminish, destroy or otherwise adversely affect rights which Trustor otherwise may have against Borrower, Beneficiary or others, or against collateral, and that, under the circumstances, the waivers are reasonable and not contrary to public policy or law. If any of the waivers are determined to be contrary to any applicable law or public policy, such waivers shall be effective to the maximum extent permitted by law.

Each Trustor acknowledges that it has read all of the provisions of this Suretyship Letter to Deed of Trust and each Trustor agrees to its terms.

- c. Without affecting the liability of any person, including Trustor or Obligor, for the payment of any indebtedness secured hereby, or the loss of the deed of trust or the remainder of the Property for the full amount of any indebtedness unpaid, Beneficiary and Trustee are respectively empowered as follows:
 - (1) Beneficiary may from time to time and without notice (a) release any person liable for the payment of any of the indebtedness, (b) extend the time or otherwise alter the terms of payment of any of the indebtedness, (c) accept additional security transfer of any kind, including deeds of trust or mortgages, (d) alter, substitute or release any of the Property securing the indebtedness.
 - (2) Trustee may, at any time, and from time to time, upon the written request of Beneficiary (a) consent to the making of any map or plat of the Property, (b) join in granting any easement or creating any restriction thereon, (c) join in any subordination or other agreement affecting title deed of trust or the lien or charge thereon, or, (d) reconvey without any warranty, all or any part of the Property.
- d. That upon written request of Beneficiary stating that all sums advanced hereby, have been paid, cancellation of any note, guarantee, Agreement or other writing evidencing the indebtedness secured hereby and performance of all obligations of the Trustor and Obligor hereunder and thereafter, and upon surrender of this deed of trust and said note, guarantee, Agreement or other evidence of indebtedness secured hereby to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the Property then held hereunder. The recital in such reconveyance of any rights of fact shall be conclusive proof of the truthfulness thereof. The greater in such conveyance may be described as "the person or persons legally entitled thereto." Five years after issuance of such reconveyance, Trustee may destroy said note, guarantee, Agreement or other evidence of indebtedness and the deed of trust (unless retained) in such manner to retain them.
- e. Trustor hereby grants to and confides upon Beneficiary the right, power and authority during the continuance of this trust to collect the rents, issues and profits of the Property, and of any personal property located thereon, and hereby absolutely and unconditionally assigns all such rents, issues and profits to Beneficiary, provided, however, that Beneficiary hereby consents to the collection and retention of such rents, issues and profits as they accrue and become payable only if Trustor or Obligor is not, at such times, in default with respect to payment of any indebtedness secured hereby or in the performance of any agreement hereunder. Under any such default, Beneficiary may at any time, without notice, call in, pause, its agent, or by a trustee to be appointed by a court, and without regard to the existence of any security for the indebtedness hereby secured, enter upon and take possession of the Property or any part thereof, and in its own name sue for or other remediate such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection including reasonable attorneys fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine; also perform such acts of repair, cultivation, irrigation or protection, as may be necessary or proper to conserve the value of the Property; also lease the same or any part thereof for such rental, term, and upon such conditions as its judgment may direct; also prepare for harvest, remove and sell any crops that may be growing upon the premises, and apply the net proceeds thereof upon the indebtedness secured hereby. The entering upon and taking possession of the Property, the collection of such rents, issues and profits, and the application thereof as aforesaid, shall not waive or cure any default or notice of default or claim hereunder or foreclose any action now or hereafter to accumulate. Trustor also assigns to Trustee, as further security for the performance of the obligations secured hereby, all prepaid rents and all monies which may have been or may hereafter be deposited with said Trustor by any lessee of the premises herein described, to secure the payment of any rent, and upon default in the performance of any of the provisions hereof, Trustor agrees to deliver such rents and deposits to the Trustee. Upon appointment of a receiver, Trustee shall immediately deliver possession of all the Premises to such receiver. Notwithstanding the appointment of a receiver for the Premises by any court at the request of Beneficiary or by agreement with Trustee, nor the entering into possession of all or any part of the Premises by such receiver, shall cause Beneficiary to be, or to be deemed or construed, or recognized in possession or otherwise make Beneficiary responsible for or liable in any manner with respect to the Premises - the occupancy, obscuring or use thereof, Beneficiary shall have the absolute and unconditional right to the appointment of a receiver in any independent and/or separate action brought by Beneficiary regardless of whether Beneficiary seeks any relief in such action other than the appointment of a receiver. In that respect, Trustor waived any express or implied requirement under common law or Arizona Revised Statutes ("A.R.S.") § 12-1241 that a receiver may be appointed only ancillary to other judicial or non-judicial relief.
- f. Upon default by Trustor or Obligor in the performance of any payment or other obligation accrued hereby or in the performance of any agreement hereunder or if the Trustor shall fail, abscond or alienate said property or any part thereof, or any interest therein, or shall be declared of his mind, or any interest therein, in any manner or way, whether voluntary or involuntary; any indebtedness or obligation secured hereby, irrespective of the maturity date expressed in any note evidencing the same, at the option of the holder hereof, and without demand or notice, shall immediately become due and payable. If there is procured from Beneficiary an agreement or waiver resulting in the non-exercise by Beneficiary of such option in any certain instance or on any particular occasion, then in that event any privilege or option now in effect to pay said indebtedness or any part thereof prior to the date the same would be delinquent if not paid, is thereupon and thereby waived and discontinued.
- g. No failure or delay by Beneficiary in exercising any right, power or privilege under law, the deed of trust or any other document relating to the indebtedness shall operate as a waiver thereof; nor shall any single or partial exercise of any such right, power or privilege preclude any later or further exercise of such right, power or privilege or any other right, power or privilege. All rights and remedies of Beneficiary under the deed of trust, the collateral security documents and/or

- 4-
- the indebtedness or any guaranty of the indebtedness, and any notes or other evidence of the indebtedness issued pursuant to any of the foregoing shall be cumulative and may be exercised singly or severally, and are not exclusive of any other right or remedy permitted by law or in equity. Beneficiary may exercise any notice before Trustee acts by recording a notice of rescission and revoking the same. The cancellation of such notice shall constitute a cancellation of any prior declaration of default and demand for sale, and of any acceleration of maturity of indebtedness effected by any prior declaration or notice of sale. The exercise by Beneficiary of the right of rescission shall not constitute a waiver of any default then existing or subsequently occurring, nor impair the right of the Beneficiary to execute other declarations of default and demand for sale, or notices or sale and of election to cause the Property to be sold, nor otherwise affect the rights or deeds of trust, or any of the rights, obligations or remedies of the Beneficiary or Trustee hereunder.
- h.** Upon the occurrence of a Trustee default, and at any time while such default is continuing, Beneficiary may, or may cause Trustee to, give such notice of default and of election to cause the Property to be sold as may be required by law or as may be necessary in cause Trustee to exercise the power of sale granted herein. Trustee shall then record and make such notice of trustee's sale as then required by law and, after the expiration of such time as may be required by law, may sell the Property at the time and place specified in the notice of sale, as a whole or in separate parcels as directed by Beneficiary, or by Trustee to the extent required by law, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale, all in accordance with applicable law. Trustee, from time to time, may postpone or commence the sale of all or any portion of the Property by public advertisement at the time and place last appointed for the sale. No written notice of the postponed sale shall be required. Upon any sale, Trustee shall deliver its bill certifying the property sold, with all any certificates or warranty, express or implied, to the purchaser or purchasers at the sale. The results in each deed of any matters or facts shall be conclusive as to the accuracy thereof. Any person, including Trustee, Trustee or Beneficiary, may purchase at the sale. After deducting all costs, fees and expenses of Trustee and of this trust, including costs of evidence of title in connection with the sale, the Trustee shall apply the proceeds of the sale to the payment of all sums then secured hereby, in such order and manner as may be required by the Beneficiary; the remainder, if any, to be paid to the person or persons legally entitled thereto. If Beneficiary shall elect to bring suit to foreclose this deed of trust in the manner and subject to the provisions, right and remedies relating to the foreclosure of a mortgage, Beneficiary shall be entitled to a reasonable sum to be fixed by the court as attorney's fees and costs in the prosecution of such action.
 - i.** In any action by Beneficiary to recover a deficiency judgment for any balance due under Trustee's obligation to Beneficiary upon the foreclosure of this deed of trust or in any action to recover the obligation or obligations secured hereby, and as a material instrument to Beneficiary's entering into the transaction related to this deed of trust, Trustee acknowledges and agrees that the successful bid amount made at any judicial or non-judicial foreclosure sale, if any, shall be conclusively deemed to constitute the fair market value of the Property, that such bid amount shall be binding against Trustee in any proceeding seeking to determine or contest the fair market value of the Property and that such bid amount shall be the preferred alternative means of determining and establishing the fair market value of the Property. Trustee hereby waives and relinquishes any right to have the fair market value of the Property determined by a judge or jury in any action seeking a deficiency judgment or any action creating litigation or disputes arising hereby, including, without limitation, a hearing to determine fair market value pursuant to A.R.S. § 12-1588, § 33-725, § 33-727 or § 33-814.
 - j.** Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein, or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without dispensance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties, said instrument shall contain the name of the original Trustee, Trustee and Beneficiary hereunder, the location where this deed of trust is recorded and the name and address of the new Trustee.
 - k.** This deed of trust applies to, binds to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledges, of the note, guarantee, Agreement, or other evidence of indebtedness secured hereby, whether or not named as Beneficiary herein. In this deed of trust, whenever the context so requires, the masculine gender includes the feminine and/or the neuter, and vice versa in neither includes the plural.
 - l.** Trustee excepts this Trust when this deed of trust, duly executed and acknowledged, is made public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Trustee, Beneficiary or Trustee shall be a party unless known by Trustee.
 - m.** Any Trustee or Obligor who is a married person expressly agrees that his or her community property and separate property shall be liable for any deficiency after the sale of the said property to the extent such Trustee or Obligor is personally obligated to pay the indebtedness secured hereby.
 - n.** If Trustee or any successor in interest to Trustee sells, transfers or conveys any interest in the Property, whether voluntarily or involuntarily, or if a beneficial interest in Trustee is sold or transferred, voluntarily or involuntarily and Trustee is not a natural person, the transferee and the transferee shall each immediately give written notice of such transfer to the Beneficiary, at its address designated on the first page of this deed of trust.
 - o.** The placing of any article of limitation as a defense to any and all obligations set forth by this deed of trust is hereby waived to the full extent permitted by law.

- p. Trustor authorizes Beneficiary, without notice or demand and without affecting his liability under this deed of trust, from time to time, to:
 - (1) Renew, extend, assume, decrease or increase the amount of the indebtedness, or otherwise exchange the time for payment of any of the indebtedness or any extension thereof;
 - (2) Renew, extend, assume, increase or otherwise modify any of the existing security documents securing any of the indebtedness, and any such and/or any other notation of indebtedness in concurrence with any of the foregoing, including, without limitation, increase or decrease of the rate of interest thereon;
 - (3) Accept partial payments on the indebtedness;
 - (4) Substitute, withdraw, waive, decrease, increase, release, exchange or otherwise alter any collateral security, in whole or in part, securing the indebtedness or any guarantee of the indebtedness;
 - (5) Apply any and all such collateral security and direct the order or manner of sale thereof as Beneficiary in its sole discretion may determine;
 - (6) Release or substitute any one or more of the guarantees of the indebtedness, and otherwise deal with Obligor, Trustor, or any other guarantor as Beneficiary may elect;
 - (7) Settle or release, either by agreement on terms satisfactory to Beneficiary or by operation of law or otherwise, compound, compromise, collect or otherwise liquidate any indebtedness and/or collateral security therefor, in any manner, and/or consent to the transfer to any collateral security and bid and purchase at any sale; all without in any way diminishing, releasing or discharging the liability of the undersigned hereunder.
- q. Trustor waives: notice of acceptance of the Deed of trust, any document evidencing or relating to the indebtedness; diligence and all demands, presentations, protests, notices of protest; notices of nonpayment; notices of commencement of action of the indebtedness, or otherwise incurring of any new or additional indebtedness.
- r. Upon default of Obligor or Trustor in respect of any indebtedness, Beneficiary may, at its option, and without notice to the undersigned, proceed directly against the property of the undersigned under the Deed of trust to collect and recover full amount of the indebtedness, or any portion thereof, and Trustor waives any right to require Beneficiary to: (a) proceed against Obligor, Trustor or any guarantor; (b) proceed against or otherwise any collateral security given to or held by Beneficiary in connection with the indebtedness; or (c) pursue any other remedy in Beneficiary's power whatsoever. Trustor further authorizes Beneficiary, without notice or demand and without affecting the liability of the undersigned hereunder, to foreclose by judicial or non-judicial sale any collateral security given to secure the indebtedness.
- s. Trustor waives any defense arising by reason of any disability as other defense of Obligor, Trustor or any guarantor or by reason of the cessation from any cause of any kind against Obligor. Beneficiary's rights under the deed of trust shall be enforceable without regard to the validity, regularity or enforceability of the indebtedness or any document evidencing the same, any note or other evidence of the indebtedness, any other guarantee of the indebtedness or any collateral security documents securing any of the indebtedness. Trustor specifically agrees that the failure of Beneficiary to perfect any lien or security interest in any property given by Obligor, Trustor or any guarantor to ensure payment of the indebtedness, or the failure to record or file any document relating thereto, shall not terminate, diminish or otherwise affect Beneficiary's rights under this instrument.
- t. Trustor shall not have any right of subrogation to any of the rights of Beneficiary against Obligor, Trustor or any guarantor, and any action by Beneficiary which may affect any right of subrogation that the undersigned may have had shall not affect or be affected by the undersigned as a defense to any rights or obligation that the undersigned owes to Beneficiary. Trustor waives any right to enforce any remedy which Beneficiary now has or may hereafter have against Obligor, Trustor or any guarantor, and waives any benefit of, and any other right to participate in, any collateral security for the indebtedness now or hereafter held by Beneficiary.
- u. Trustor assumes the responsibility for keeping himself informed of the financial conditions of Obligor, Trustor or any guarantor and of all other circumstances bearing upon the full or non-payment of the indebtedness. Beneficiary shall have no duty to supply the undersigned of information known to Beneficiary regarding such conditions or any such circumstances. Beneficiary has no duty to inquire into the power of Obligor, Trustor, or any guarantor on the witness, directors or agents thereof acting or purporting to act in its behalf and/or their behalf.
- v. None of the terms or provisions hereof may be waived, altered, modified, or amended except by an instrument in writing, duly executed by the party to be charged therewith, and the rights, obligations and liabilities hereunder shall be governed by, and shall be construed and interpreted in accordance with statutes of the State of Arizona.
- w. To the extent not prohibited by law, the Trustee (or any of them) hereby grants to the Beneficiary a security interest under the Arizona Uniform Commercial Code in all deposit accounts and other property of the Trustor (or any of them) held by the Beneficiary, to secure all obligations of the Trustor or Obligor to the Beneficiary provided, however, that this security interest shall not secure any indebtedness which is or becomes because "consumer credit" subject to the disclosure requirements of the Truth in Lending Act and Regulation Z promulgated thereunder, both as amended from time to time.
- x. Without obtaining the prior written consent of Beneficiary, Trustor shall not consent to, or vote in favor of, the issuance of all or any part of the Premises in any Community Facilities District formed pursuant to the Community Facilities District Act, A.R.S. § 48-701, et seq., as amended from time to time. Trustor shall immediately give notice to Beneficiary of any notification or advice that Trustor may receive from any municipality or other third party of any intent or proposal to include all or any part of the Property in a Community Facilities District. Beneficiary shall have the right to file a written objection to the issuance of all or any part of the Property in a Community Facilities District, either in its own name or in the name of Trustor, and appear at, and participate in any hearing with respect to the formation of such district.

- y. If any provision of this deed of trust is deemed or determined to be unenforceable for any reason, the enforceability of the other provisions of this deed of trust shall not be thereby affected and all such other provisions of this deed of trust shall otherwise remain in full force and effect, unchanged.
- 4. WITH REGARD TO HAZARDOUS SUBSTANCES, TRUSTOR AGREES:**
- a. As used in this section, the term "hazardous substance" means any substance which has characteristics of ignitability, corrosivity, toxicity, reactivity or radioactivity or has other characteristics which render the substance dangerous to health, safety or the environment if such substance is or becomes regulated by any federal, state or local law, regulation or ordinance.  - f. The provisions of this section shall not be affected by the acquisition by Beneficiary or its successors or assigns of any ownership or other interest in the Property beyond Beneficiary's security interest in the Property created under this deed of trust, whether or not such acquisition is pursuant to the foreclosure of this deed of trust or a merger of the interest of the Beneficiary or its successor and assigns in the Property.

 - b. The execution of this deed of trust by any person who has a present interest in the Property shall not in itself be deemed to indicate that such person is liable to Beneficiary for any obligation described in Section 1, above. Execution of this deed of trust by any such person shall not otherwise indicate that such person's interest in the Property shall be subject to Beneficiary's interest hereunder.
- 6. TRUSTOR, BENEFICIARY AND TRUSTEE ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED UNDER CERTAIN CIRCUMSTANCES. It is not necessary for Beneficiary to inquire into the power of Trustor or the officers, directors, partners or agents acting or purporting to act on behalf of Trustor, and all obligations made, created or accepted in reliance upon the professed exercise of such power shall be secured hereby.

REVIVAL OF DEED OF TRUST

If any payments of money or transfers of property made to Beneficiary, by Borrower, any guarantor, any maker or any endorser, should, for any reason, subsequently be declared to be, or in Beneficiary's counsel's good faith opinion be determined to be, fraudulent (within the meaning of any state or federal law relating to fraudulent conveyances), preferential or otherwise voidable or non-existent in whole or in part for any reason (hereinafter collectively referred to as "VOIDABLE TRANSFER") or any amount repaid or returned to Borrower or any guarantor (together with all costs and expenses (including attorney's fees) of Beneficiary related thereto), the lien and priority of this Deed of Trust shall automatically be rekindled, reinstated and resumed and shall exist as though such voidable transfer had never been made to Beneficiary. In the event Beneficiary shall have caused its interest herein to be reconveyed and subsequently be required or advised by counsel to restore or repay any such voidable transfer, the amount thereof, or any portion thereof, the undersigned shall remain liable, as provided herein, to the same extent as if this Deed of Trust had not been reconveyed to the undersigned.

UNDETERMINING WITH RESPECT TO WAIVERS

Trustor warrants and agrees that each of the waivers set forth above are made with Trustor's full knowledge of their significance and consequences, with the understanding that events giving rise to any defense waived may dismiss, destroy or otherwise adversely affect rights which Trustor otherwise may have against Borrower, Beneficiary or others, or against collateral, and that, under the circumstances, the waivers are reasonable and not contrary to public policy or law. If any of the waivers are determined to be contrary to any applicable law or public policy, such waiver shall be effective to the maximum extent permitted by law.

Each Trustor acknowledges that it has read all of the provisions of this Suretyship Rider to Deed of Trust and each Trustor agrees to its terms.
